Re N.W.T.19-27-4 W.4th.

Mr. J. B. Greenway,
Commissioner of Dominion Lands.

R. A. Golden is indebted to this Department for seed grain, fodder and relief advances in 1915, there being a balance due to the 31st March, last, of $545.61. On receipt of a report last year that R. A. Golden was no longer farming this land, but received a share of the crop, Mr. Golden was asked to furnish the Department with an order on his tenant to pay to the Department his share of the crop grown this year to apply on this account.

As no reply was received, a second communication was addressed to Mr. Golden on the 17th June, which also met with no response. The Agent Dominion Lands, Calgary, was then asked to have an inspector visit the land and endeavour to arrange for payment. No report has yet been received, and it would seem likely, as Mr. Golden does not reply to letters addressed to him on the subject, that unless action is taken, no payment will be forthcoming. I would, therefore, recommend that a warrant of seizure be issued for Mr. Golden's share of the crop.

Re L. A. Golden,

Mr. J. B. Greenway,
Commissioner of Dominion Lands.

Adverting to my memorandum of the 25th ultimo, recommending seizure of L. A. Golden's share of the crop grown on the above lands, I beg to state that a warrant of seizure was duly issued and according to information received, the crop was in the neighbourhood of 1,000 bushels, that is, the share under seizure.

The manager of the Bank of Toronto, Dyen, Alberta, has now written stating that the bank holds "first mortgages" on the land and also has an assignment of the existing leases covering it for 1927, 1928 and 1929. They ask that the Department accept a share of 250 bushels of wheat, leaving 750 bushels to apply on taxes, $260.00 and their debt, $1,000.

It might be pointed out that while the Bank claims to hold first mortgages on the land, the 1918 liens are a first charge, and in addition were attached to patent for the W.½ 19-27-4 W.4th. However, the Bank holds assignments of L. A. Golden's share for the years 1927, 1928 and 1929, and taking this fact into consideration, I would recommend that the Department accept 250 bushels of wheat as its share, the balance to be paid next fall.

The W.½ 19-12-27 W.4th is land purchased by L. A. Golden from Samuel A. Stillings, who is indebted to the Department in the amount of $788.67 to the 31st March, last, the liens having attached to patent for the S.W.12-27-5 W.4th.

Pursuant to Mr. Matheson's communications of the 24th October and 4th December last indicating that a report from the Sheriff showed that of some 1700 bushels of wheat held by the Sheriff under seizure the Lienee's share was one-quarter and he (the Lienee) asked that one-half of the claim be accepted this year and the other half allowed to remain.

The indebtedness with interest computed to the 31st instant totals $294.72, and the security for the same is in the lands above mentioned.

A [illegible]ation made by Mr. Matheson is that the representations be not favourably re[illegible] is that the Lienee is not living in this country and that a similar request was made last year following seizure, which the Department withdrew on payment of the costs.

In view of the fact that in both 1927 and 1928 the Department found it necessary - in order to secure payment of its indebtedness - to initiate seizure proceedings, I would suggest that the Department's position be not compromised in acceding to the Lienee's request.

As an additional reason for refusal of any concession I would cite the fact that an application has been made for an adjustment by the mortgagees of the S.W.20-27-4-W.4th.

Re: Account of Samuel Kelly Stillings
S.W. 12-27-5 W. 4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $497.10 were advanced to Samuel Kelly Stillings on the security of the above mentioned land. Payments of $658.11, $79.59 and $91.73 were received in 1929, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$9.86	$12.11	$21.97

Patent was issued in the name of Samuel Kelly Stillings for the S.W. 12-27-5 W. 4 on the 29th of November 1916, subject to the 1915 liens.

Payments amounting to $829.43 were received by 1929 leaving only a small balance of $9.86 outstanding.

In view of the substantial payments already received it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Dear Mr.Cote:-

S.W.23-71-1-5.

Would you kindly advise me if the patent for above has yet been issued, and if not, whether the issue of patent is likely to be delayed for long. The Vice-President of the Edmonton, Dunvegan & B.C.Railway Company (who are the owners) advises me that all the requirements of the Department have been complied with, and the land paid for in June last. This land has been surveyed for a townsite and divisional point on the railway, and unless patent is issued at an early date, the Railway Company will be put to great inconvenience and considerable expense in order to comply with the provincial regulations governing the registration of plans and titles. I would therefore consider it a personal favour if you would have this matter looked into and hasten the dispatch of the patent to the Land Titles Office here.

With kind regards,

Yours very truly,

OTTAWA - JUL 25 1929

Memorandum.

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: R. H. Toeppner,
N.E.¼ 19-21-9 W.4th - S.S.

The above described land was secured by this settler under soldier grant entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in October, 1919, and in due course secured advances from the Board amounting to $3161.72, as follows: permanent improvements, $1383.80; stock and equipment, $1185.61; special advances, $592.31. As security the Board holds a charge on the settler's soldier grant. The only other land security in this case is title to the N.E.¼ 24-21-9 W.4th.

The settler was greatly handicapped through drought conditions and became discouraged. The Board offered to place him on one of the farms that had reverted to us in another district, but this offer was declined. The settler's agreement with the Board was rescinded pursuant to a Quit Claim Deed executed by him on the 12th July, 1924.

The settler's indebtedness amounts to $3309.71. The soldier grant was appraised in November, 1924, at $474. The quarter-section to which we now hold title was appraised at that time at $2115. No arrangements have been made for the disposal of this land and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Act, as $214.58 of the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his soldier grant.

A Vesting Order for signature is attached hereto.

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
OTTAWA.

Chairman.

WHEREAS it is in effect provided in and by section 27 of the Soldier Settlement Act, 1919, Chapter 71, 9-10, Geo. made by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

Homestead entry of [illegible] Stafford

Date of entry [illegible] 1/12 & Pre 2/12

I beg to call your attention to the fact that this entry is now over five years old. Please take ordinary cancellation proceedings at once on the ground of failure to apply for patent and at the same time instruct a Homestead Inspector to report.

If no defence is filed and if the Inspector's report shows no duties performed, you may at the end of the sixty days and on receipt of the required report, carry out cancellation if aware of no reason to the contrary, dealing with the land and reporting your action here in the usual way.

In all other cases where a defence is filed or where the Inspector's report shows any duties performed, you should refer here before cancelling.

In every case the Inspector should give full information as to the nature of the land, using the blanks provided in the form of report for that purpose. The fullest possible information should be given in regard to duties and improvements.

Inspectors should make careful enquiry to find out whether the entrant may possibly be on military service or may be a returned soldier.

In any case where there is some special condition existing which would render it advisable not to dispose of the land in the ordinary way under entry to soldiers, the report should contain full particulars and the matter should be referred here before any action is taken.

A copy of any letter or form issued by you should be sent here to complete Head Office record.

MEMORANDUM:

Mr. Hume.

Re S.E.¼ 6-21-9-W. 4th M.
Homestead - Isaiah M. Shoop.
Date of entry 13th January, 1912.

This man in his application for patent executed on the 19th March, 1921, claimed residence as shown on Form 58.

In his declaration of the 29th May, 1917, he claimed residence as follows:

1913--2 months,
1915--12 months,
1916--11 months,
1917--3 months.

In a further declaration from the homesteader dated the 24th August, 1920, he claimed residence as follows:

1913--June to November inclusive,
1914--none,
1915--April to September inclusive,
1916--about 6 months,
1917--about 6 months,
1918--about 4 months,
1919--none.

In view of the discrepancy between these statements, the homesteader was requested to furnish an explanation.

He has now furnished a declaration which is dated the 28th April, 1921, in which he states:

"I claim I have put in ample time.
"The statement in May, 1917, is to the
"best of my memory correct as I only
"put in time that I was sure of. The
"time I put in when making application
"for patent is also correct to the best
"of my memory, this being the time the

"witnesses.....

"witnesses were sure of."

It appears to be that although this man made different statements, he has performed sufficient residence in each of three years as required by the Act.

I might add that a Homestead Inspector furnished a report on the 6th August, 1920, in which he credited the homesteader with residence from October, 1914, to spring 1917, and from April 1st to July 1st, 1918.

Entry granted 13th January, 1912.

When Mr. Shoop made application for patent, he claimed residence as shown on form No. 58 (hereunder marked) but as this did not agree with the declarations furnished by him, dated the 29th May, 1917, and the 24th August, 1920, a Homestead Inspector's report was called for. In this connection please see Mr. Turton's memorandum of the 22nd August last (marked.)

The Inspector's report is now on file, together with declarations from two parties residing in the vicinity, from which it is pointed out that Mr. Shoop performed residence as shown on form No. 58 (directly hereunder.)

In view of this report, kindly say what further action you desire taken in this case.

MEMORANDUM:

Homestead - Isaiah M. Shoop.
Entry granted - 13th January, 1912.

N.E.¼ 6--21--9 W. 4th Mer.
Pre-emption - Isaiah M. Shoop.
Entry granted - 2nd April, 1912.

Mr. Shoop made application for patent on the 19th of March, 1921, claiming the performance of the residence and cultivation duties set out on form No.58A, marked "A".

Mr. Shoop's application has not been approved as it contains statements with respect to residence at variance with previous statements made in certain declarations attached to the file.

The various statements made by the entrant, the report obtained from a Homestead Inspector, and declarations received from neighbours, all differ as to the actual periods of time during which Mr. Shoop lived upon the land.

Taking the residence claimed in each year separately, you will note that in the year 1913 Mr. Shoop, in his application for patent, claimed to have lived upon his land from the 1st of June to the 1st of December, a full period of six months, but in a Statutory Declaration, dated the 22nd of December, 1913, he only claimed to have lived upon the land for a period of three months, i.e., from the end of March to the end of June.

1913

1914 — No residence claimed.

In the application for patent a period of six months' residence is claimed from the 1st of April to the 1st of October. Apparently this claim should not be allowed as in a Statutory Declaration, dated the 18th of June, 1915, in answer to the question, "what actual residence have you since performed", Mr. Shoop replied as follows: "none. I was out January 1st, 1914, and stayed two months, but could not live in house as it was not properly weathered, weather never moderated enough to fix it. In another Statutory

1915

Declaration

J.W. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

Declaration, dated the 18th of August, 1915, Mr. Shoop stated that he had started residence on the 1st of May, and had lived there continuously to the date of the declaration. This statement does not tally with the information given in his Statutory Declaration dated the 18th of June previous.

1916

In the application for patent Mr. Shoop claimed residence from the 15th of April to the 25th of October. This may or may not be correct, but the file shows that an application to cancel was filed on the 12th of January, 1917, which seems strange if, as claimed, Mr. Shoop was in residence to the 25th of October previous.

1917

Mr. Shoop claimed a period of over six months' continuous residence during this year. We have no means of checking whether or not this statement is correct.

Judging the case on Mr. Shoop's own statements he should not be given credit for six months' residence in either of the years 1915 or 1916, provided the usual practice is followed of not allowing an applicant to claim more residence in his application for patent than he had claimed previously in letters or declarations made nearer to the period of time during which the alleged residence was performed.

If you take this view of the matter then Mr. Shoop's application for patent only shows the performance of six months' residence in each of the years 1916 and 1917, and he should, therefore, be called upon to perform another period of six months' residence and then execute a supplementary statement.

This matter was submitted on the 22nd of August, 1922, and the various discrepancies in Mr. Shoop's statements with respect to residence were pointed out to the Agent, and he was instructed to call upon a Homestead Inspector to make full inquiry into the matter.

Homestead Inspector Mayberry forwarded two declarations, which he had accepted from settlers in the vicinity of the land, which again differ as to the actual residence performed by Mr. Shoop, one of them, Mr. Uuger, giving Mr. Shoop credit for six months' residence during each of the years 1915, 1916 and 1917, while the other declarant, Mr. Keay, only gave Mr. Shoop credit for six months' residence in each of the years 1916 and 1917 without specifying dates.

For the reasons above specified Mr. Uuger's statement with respect to the residence performed during the year 1915 should not be accepted as correct.

The Homestead Inspector's report, dated the 6th of August, 1920, is obviously of little value, as he gave Mr. Shoop credit for a continuous period of residence upon the land from October 1914 to the Spring of 1917, and another short period of residence from the 1st of April, 1918, to the 1st of July, 1918.

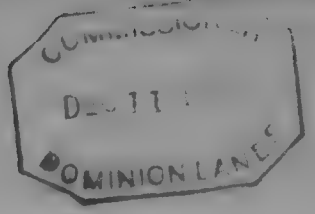

The duties

The duties appear to have been satisfactorily performed, as Mr. Shoop has erected a habitable house and has broken fifty acres, which have been cultivated for over three years.

Respectfully submitted,

Pre emption duties badly in default.

EFM

Ottawa, 9th December, 1922.

S U M M A R Y.

I. M. Shoop, the holder of a homestead and pre-emption, has applied for patent for his homestead claiming the necessary residence in the years 1913, 1915, 1916 and 1917.

In a statement below prepared by Mr. Perrin, it is shown that the time claimed in 1913 and 1915 was not performed according to statements made by the entrant. The last two terms (1916 and 1917) may possibly be correct.

An effort was made to clear up the discrepancy but the Inspector's report does not furnish any assistance.

Unless the Department will allow Mr. Shoop to take credit now for more time than he claimed in his own declaration, he should be required to put in another term of six months residence for his homestead.

Other duties are all satisfactory.

Pre-emption duties apparently in default both as to residence and cultivation.

This man made application for patent for his homestead on the 19th March, 1921, claiming sufficient residence, but as the residence claimed did not agree with the declarations furnished by him previously, he was allowed to count only two terms of residence, and it would be advisable for him to put in a further period of six months' residence on his homestead, before his application for patent could receive further consideration.

The case was fully set forth in your memorandum of the 7th December, 1922.

Mr. Shoop has been advised on several occasions to advise the Department, what his intentions are in regard to the land, but up to the present date no reply has been received from him.

As cancellation proceedings have been pending against this entry on behalf of the Department, since July 1920, please say if he should be given a final thirty days notice.

Pre-emption - Isaiah M. Shoop,
Entry granted - 2nd April, 1912.

Cancellation proceedings were instituted against the homestead entry on the 26th July, 1920, for failure to apply for patent.

Mr. Shoop applied for patent on the 19th March,1921, claiming considerable residence and forty-six acres under cultivation. His statements, however, concerning residence were not accepted as there was considerable conflicting evidence in this respect on file.

All the facts of this case are set out in your memorandum of the 7th December, 1922, which I would request you to read.

The Assistant Commissioner gave instructions to require the entrant to complete a further term of six months residence duties before becoming entitled to homestead patent.

Mr. Shoop has been written to on many occasions since that date but has never been heard from.

The amount due to the 1st November, 1923, in connection with the pre-emption is $676.98.

Seed Grain indebtedness to the 31st March, 1924, - $29.58.

Sir,

N.E.¼ 6--21--9 W. 4th M.
Pre-emption.

Referring to the cancellation proceedings outstanding against your homestead and pre-emption entries, I beg to inform you that according to the information furnished in an Inspector's report which is on file, it would appear that your entries are now seriously in default as the improvements are in poor repair and the breaking has gone back.

I might state that before you will be in a position to apply for homestead patent, it will be necessary for you to complete a full term of six months residence duties, and on this point you have been advised on different occasions. To earn patent for the pre-emption, you will have to rebreak the area already broken, and increase the area of breaking to eighty acres and have a reasonable proportion placed in crop.

Provided you complete the cultivation duties as above outlined and one term of residence duties, you may then immediately apply for patent for both quarter-sections, and either pay for the pre-emption or apply for a Certificate of Recommendation. If you fail to do so, you will then be required to perform further residence duties and do additional cropping.

The proceedings in question will be held over for thirty days from this date, within which time it will be necessary for you to file satisfactory evidence with the Agent of Dominion Lands at Lethbridge that you are then performing residence duties in accordance with the regulations, and that it is your intention to remain there for the purpose of completing the unfulfilled duties. If you fail to do so, he will cancel your entries and post the half-section for grazing purposes.

R. H. ROBERTS

Re: Account of Isaiah M. Sheep
E.½ 6-21-9-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain amounting to $20.40 was advanced to Isaiah M. Sheep on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$20.40	$37.74	$58.14

The E.½ 6-21-9-W4 was formerly the homestead entry and pre-emption of the debtor on which security he obtained an advance of seed grain in 1915. His entries were cancelled on the 6th of September 1924, and the land is still unalienated. Crown land held in the right of the Province.

In reply to our questionnaire of the 19th of May 1952, J.H. Tedrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This land is unalienated crown land occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

Date of entry 11th August, 1913.

This man has performed four terms of residence in connection with his homestead and pre-emption and five years cultivation. Patent for his homestead was issued on the 21st of December, 1917, and he has furnished a supplementary statement stating that he sold his homestead and that he has 50 acres of cultivation on the pre-emtpion and 50 acres cropped, the cultivation done in two years, 1918 and 1919, house on the pre-emption, value $400.00 and two miles of fencing, $200.00.

According to the Militia Department he enlisted for active service on the 28th of July, 1917 and was discharged on the 3rd of March, 1918, being medically unfit. This would give him one term on active service.

The Pensions Board reports the nature of disability, bronchitis and asthma, that the disability did not occur on active service but was probably aggravated by service, no pension. Further information:-

"Asthmatic condition pre-existed
"enlistment. It was slightly aggravated on
"service. This aggravation has now ceased.
"On June 5/19 specialist reported 'General
"strength only fair, considerable cough' The
"man was not then in need of treatment."

The homesteader furnished a medical certificate from Dr. W. N. Maine, Leader, Saskatchewan, in which he stated that Mr. Kelly was under his care in October, 1918, suffering from asthma, and while under his care he was very ill and he strongly urged a complete change of climate and surroundings for at least one year, and that he did not consider him in a fit condition to do homestead duties, especially

as he was a widower and had no one to be with him on the homestead if he should be seized with a severe attack.

This man should put in a further term of six months residence on the pre-emption before he is entitled to a Certificate of Recommendation, but in view of the medical certificate please say if the duties may be accepted under Section 23 of the Act.

MEMORANDUM:

MR. HUME.

Application for patent of Mr. L. G. Kelly for his pre-emption, N. E. ¼ 1-21-4-W. 4th M. Date of entry 11th August, 1913.

According to form 58 hereunder, Mr. Kelly has performed four terms of residence and five years cultivation.

This case was fully set out in Mr. Turton's memorandum of the 22nd March, 1920, and in view of the medical certificate furnished, it was decided that further residence would be waived, provided entrant would arrange to have thirty acres seeded in the season of 1920. The Agent was instructed to this effect on the 29th March, 1920.

According to form 58, Mr. Kelly claims house on his pre-emption valued at $400.00; well, $50.00; fencing, $200.00; and it would appear from the Agent's letter of the 21st August, 1920, that Mr. Kelly had furnished a further supplementary Statement, claiming a frame house, 14x20, valued at $350.00 on his homestead and that as it would appear that his homestead had been sold, he was requested to furnish an explanation.

On the 7th December, 1920, the Agent requested the Homestead Inspector to call upon the entrant in this connection and endeavour to obtain a Supplementary Statement showing what duties had been performed, if any, since making application for patent. He also pointed out that Mr. Kelly claimed in his application for pre-emption patent a house valued at $400. on his pre-emption, whereas in his supplementary statement of the 26th January, 1920, he claimed a house on the homestead valued at $350.00 and requested the Homestead Inspector to state in his Supplementary statement the exact location of the house, whether on the homestead or pre-emption.

The Inspector's report, dated

-the-

the 30th November last was received by Registration Branch on the 6th December, but was not brought to the attention of this Department until this date.

According to this report, Mr. Kelly is not at the present time residing on his land. The Inspector in his report values the house at $75.00, but does not state whether the house is on the homestead or pre-emption and also credits Mr. Kelly with fifty acres in crop in 1919 and 1920 and sixty acres in crop in 1921.

Please see Acting Deputy Minister's memorandum of the 29th November last.

As it would appear that there is a discrepancy regarding the location of the house in the different Supplementary Statements furnished by Mr. Kelly and as the Inspector in his report does not throw any light on this subject, kindly say if he should be requested to furnish a Supplementary Statement, showing whether the house is located on the homestead or pre-emption, and if the Supplementary Statement shows the house to be on the pre-emption, may the application for patent be accepted, in view of the fact that Mr. Kelly has sixty acres in crop in 1921, whereas he was only requested to show thirty acres in crop in 1921.

Pre-emption- L. G. Kelly.
Entry- 6th August, 1913.

S.E.¼ 1- 21- 4. W.4th Mer.,
Patented homestead of L.G.Kelly.
.....

Mr. Kelly made application for patent for his pre-emption entry claiming the performance of four terms of residence and cultivation in five years.

On the 22nd March, 1920, this case was submitted by Mr. Torton, and in view of the medical certificate furnished, it was decided to waive further residence, provided the entrant would arrange to have 30 acres seeded in season of 1920.

In his application for patent and the supplementary statement executed in connection therewith, Mr. Kelly claimed a house valued at $400.00 on his pre-emption and in a further supplementary statement received by the Agent in August, 1920, he claimed a frame house valued at $350.00 on his homestead. A Homestead Inspector was requested to furnish a report and also to obtain a supplementary statement. In his report of November 30th 1921, Homestead Inspector Mayberry stated that Mr. Kelly was not then in residence. The Inspector valued the house at $275.00 but did not state on which quarter it was situated. He also gave the entrant credit for 50 acres in crop in 1920, and 60 acres in 1921.

In view of the fact that the location of the house was not stated, a further report was called for and this has now been received from Homestead Inspector Wilcox.

He states he has not been able to obtain the address of the entrant but that there is a house valued at $100.00 on the homestead which Mr. Denney, who bought the homestead, is at present trying to sell. The fencing on the pre-emption is valued at $15.00, as the posts have all been taken away and the wire is lying on the ground. The cultivation consists of 30 acres which was farmed in 1921, and is now of no value as it is grown up to grass and weeds; everything is going to ruin.

In view of this report, I would recommend that cancellation proceedings be instituted against Mr. Kelly's entry.

Re N.E.¼ 1-21-4, W.4th M.
Pre-emption - Leolyn Graham Kelly.

The Board of Pension Commissioners furnished a report in March 1920 in regard to the case of Regimental No.2115455, Leolyn Graham Kelly, formerly of the C.A.M.C., Canadian Expeditionary Force, to the effect that he was suffering from bronchitis and asthma, which, while probably permanent, pre-existed enlistment, and although slightly aggravated on active service this aggravation had now ceased. It was further reported that the man was not then in further need of treatment.

In connection with this matter I may say that Mr. Kelly has made application for patent for the quarter-section above mentioned, which he holds under pre-emption entry, but latterly the Department has lost communication with him and all enquiries as to his whereabouts have been without result.

Inasmuch as the duties have not been completed the entry is liable to cancellation, but before taking action I would ask you to report whether Mr. Kelly has been taken on the strength of your Department for further treatment, and if so, to furnish particulars as to his whereabouts and state of health.

Re application 150135

I beg to refer you to your letter of the 2nd instant, addressed to the Agent Dominion Lands at Lethbridge, Alberta, with reference to one W. S. Berry of Leader, Saskatchewan, in connection with the west half quarter of 7- 1-14 w.4th. The letter was apparently forwarded by the Agent at Lethbridge to the Agent Dominion Lands, at Calgary, who has now forwarded the same to this office, as it does not appear to relate to lands in the Calgary or Lethbridge districts, and requested me to ascertain if the same had reference to a quarter section of the same description west of the 3rd meridian.

This letter would appear to be in reference to seed grain inspectors and I am unable to trace in my records any reference to W. S. Berry being indebted for seed grain or relief in this district. Will you kindly advise me further in connection with this matter.

Your Ref. 113756.

With reference to the Seed Grain Indebtedness outstanding against the above, I beg to advise that our Annual Statements issued in connection therewith have been returned undelivered by the Postal Authorities.

The North-East of 1 has been cancelled but an Abstract covering the South-East shows that it was transferred from the Lieser to Rosella May Denny in September, 1918, and from her to William J. Denny in May, 1919, in whose name it still stands.

However, it is noted from Homestead Inspector Bowyer's report forwarded under date of October 20th,1924, that he was unable to locate Mr. Denny and as the land may have been placed in cultivation since that time I would suggest that the case be again placed on the Inspector's list as one requiring a report this summer.

INTERIOR
MAR 1930
DOMINION LANDS BRANCH

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens, Dominion and Provincial charged against the E. ½, 1-21-4-W. 4th Mer., for advances made to L. G. Kelly and W. J. Denny, be discharged as hereinafter provided for.

The Board submits the report of the Director, Debt Adjustment Act, dated January 17th, 1930, which report gives full details of all liens registered against the said land and states in support of this recommendation:-

1. That at the time the advances were made the debtor L. G. Kelly, held pre-emption entry to the N.E.¼, 1-21-4-W. 4th Mer., that the debtor's entry was cancelled in the year 1923, and that this is now vacant Crown land.

2. That title to the S.E.¼, 1-21-4-W. 4th Mer., is passing to the Department of Municipal Affairs, under Tax Recovery Proceedings.

3. That the land is situate in the Tilley East Area and has practically no value.

4. That under the arrangements made the said land will not be open for re-entry or for sale, but will be held only for grazing purposes, and any revenues derivable therefrom will be so small that there is no possibility of making any payment on account of the said liens.

5. That the debtors left the District several years ago and all trace of them has been lost so there is no possibility of making any collection under their personal covenants.

The Board .....

5487172

5487340

The Board therefore recommends that all liens charged against the N.E.¼, 1-21-4-W. 4th Mer., be discharged, and the total amount payable thereon be written off as uncollectible. Also that as soon as the Department of Municipal Affairs submit satisfactory evidence showing that title has passed to that Department, under Tax Recovery Proceedings, that all liens charged against the S.E.¼, 1-21-4-W. 4th Mer., be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Re: Account of Leolyn Graham Kelly
S.E. 1-21-4-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $221.70 were advanced to Leolyn Graham Kelly on the security of the E.½ 1-21-4-W4. Under authority of Order in Council P.C. #167/991 dated the 13th of May 1930, the N.E. 1-21-4-W4 was unconditionally released as security for the liens and the balance of the indebtedness has since been retained as a charge against the S.E. 1-21-4-W4. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 221.70	$ 413.10	$ 634.80

Patent was issued in the name of Leolyn Graham Kelly for the S.E. 1-21-4-W4 on the 21st of December 1917, subject to the 1915 liens.

In 1920 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province.

The land is situated in the Tilley East Area and has practically no value. Under arrangements made the land will not be open for re-entry or for sale, but will be held only for grazing purposes.

This quarter section is under the jurisdiction of the Department of Municipal Affairs, Province of Alberta, and is still vacant and no longer being operated. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Homestead entry of C. A. Torgerson

Date of entry 3-4-14

I beg to call your attention to the fact that this entry is now over ~~five~~ years old. Please take ordinary cancellation proceedings at once on the ground of failure to apply for patent and at the same time instruct a Homestead Inspector to report.

If no defence is filed and if the Inspector's report shows no duties performed, you may at the end of the sixty days and on receipt of the required report, carry out cancellation if aware of no reason to the contrary, dealing with the land and reporting your action here in the usual way.

In all other cases where a defence is filed or where the Inspector's report shows any duties performed, you should refer here before cancelling.

In every case the Inspector should give full information as to the nature of the land, using the blanks provided in the form of report for that purpose. The fullest possible information should be given in regard to duties and improvements.

Inspectors should make careful enquiry to find out whether the entrant may possibly be on military service or may be a returned soldier.

In any case where there is some special condition existing which would render it advisable not to dispose of the land in the ordinary way under entry to soldiers, the report should contain full particulars and the matter should be referred here before any action is taken.

A copy of any letter or form issued by you should be sent here to complete Head Office record.

Your obedient servant,

Upon cancellation of this entry or preservation please send triplicate of letter of cancellation to Mr Scott to be listed

If inspector finds duties completed he should take application for patent in the regular way.

Sir,

With reference to your application for patent for your pre-emption, the South West quarter of Section 35, Township 9, Range 7, West of the 4th Meridian, I beg to inform you that according to the evidence furnished, it would appear that you may have completed the requisite cultivation duties in each of six years but that you have performed residence duties in five years only.

Under the circumstances, before your application can receive further consideration it will be necessary for you to perform a further term of six months' residence either on the pre-emption itself or on your patented free homestead, and then appear before the Agent of Dominion Lands at Lethbridge, or a Sub-agent for the district in which your land is situated, with two competent witnesses, and execute a supplementary statement setting forth the facts. If, however, you are unable to perform the further residence duties required, there would appear to be no reason why you should not take advantage of Section 27 of the Dominion Lands Act, which provides that where the holder of a pre-emption entry is unable to obtain patent for his pre-emption solely by reason of his residence duties being in default, he may secure patent for same by paying, in addition to the usual purchase price together with accrued interest, the extra price of $3.00 per acre.

As cancellation proceedings are outstanding, I am to request you to advise the Department within thirty days from this date what your intentions are as regards this matter. If a satisfactory reply is not received from you within the time allowed, it may be found necessary to carry out cancellation.

I beg to acknowledge the receipt of your letter of the 3rd instant, wherein you state that it is your intention to reside on your half section for one year. If you are not then in a position to pay in full for your pre-emption you should apply to the Agent of Dominion Lands for Certificate of Recommendation covering the pre-emption under the requirements of the Act which will enable you to mortgage, assign or transfer your interest in the above land before the issue of letters patent therefor.

ELIGIBILITY FOR SOLDIER GRANT ENTRY :

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of his Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of his Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Re: Account of Carl A. Torgerson
S.W. 35-9-7-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1922 seed grain amounting to $31.25 was advanced to Carl A. Torgerson on the security of the above mentioned land. A payment of $15.00 was received in 1927 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 28.15	$ 48.17	$ 76.32

The S.W. 35-9-7-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 22nd of November 1926 and is still unalienated Crown land.

In reply to our questionaire of the 24th of January 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"The above land which is situated outside of the homestead lease area, is included in Grazing Lease No. 33034. This lease expires on January 1st, 1967, and it is not likely that this land will be used for farming purposes."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

INTERIOR DEPT. OTTAWA
MAY 16 1931
REGISTRATION BRANCH

Office of the Chairman

MEMORANDUM

OTTAWA - MAY 12 1931

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

RE: LEON SKILLEN FOWNES -
Part - N.W.¼ 4-26-1-W.4th M. (S.C.)

The above described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 23rd of September, 1919, the settler secured advances from the Board totalling $3,000.00, as follows: removal of encumbrances, $525.00; stock and equipment, $1,739.00; permanent improvements, $602.05; special advances, $133.95. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is a charge on the S. E.¼ 10-26-1-W.4th M. and the N. E.¼ 10-26-1-W.4th M., homestead and pre-emption of this settler.

PAT. IN COURSE PREPARATION

The Board is informed that the settler has completed the duties in connection with his soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Deputy Commissioner of Dominion Lands to the settler, dated the 16th of April, 1931.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C.1821, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in part N. W. ¼ 4-26-1-W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his soldier grant.

A Vesting Order for signature is attached hereto.

CHAIRMAN.

The Deputy Minister,
Department of the Interior,
O t t a w a.

Sir,-

S.E.¼ Sec. 26, Tp. 74, Rge. 17, West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

The Soldier Settlement Board

Office of the Chairman

File #4-1034. Canada. OTTAWA, JUN [illegible]

Memorandum -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re. William J.N. Leslie,
N.W.¼ 25-71-4-W.6th M. (Hsd.)
N.E.¼ 23-71-4-W.6th M. (S.G.)

The above-described land is the unpatented homestead and soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 17th July, 1919, the settler secured advances from the Board totalling $3041.49, as follows; permanent improvements, $703.00; stock and equipment, $1945.40; special advances, $393.09. As security the Board holds a charge on the settler's homestead and soldier grant. The Board holds no other land security in connection with this case.

The Board is informed that the settler has completed the duties in connection with his homestead and soldier grant and would be entitled to receive patent but for the Board's charge. This is confirmed by the letters from the Secretary of the Department of the Interior to the settler dated the 2nd June, 1927, and the 16th June, 1927.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title, and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land in question be issued to the Board. He is not residing on the land and his loan is in adjustment. When the property has been resold the proceeds will be applied in reduction of the settler's indebtedness to the Board.

Under the provisions of the regulations referred to the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ 25-71-4-W.6th M. and the N.E.¼ 23-71-4-W.6th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land as the advances referred to in the second paragraph hereof were not disoursed until after the date of the settler's entry for the homestead and soldier grant.

A Vesting Order for signature is attached hereto.

W.W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
Ottawa.

AND WHEREAS, pursuant to an application made by the said William J. N. Leslie, who is not residing on the said land, the Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1921, P. C. 1821;

WITNESSETH that the undersigned, pursuant to the powers and authorities conferred upon him by the said regulations approved by the Governor in Council on the 4th day of June, 1921, P. C. 1821, declares the right, title and interest of His Majesty in the said land, except mines and minerals, whether solid, liquid or gaseous, to be vested in the Soldier Settlement Board of Canada.

File No. 4-1284

Office of the Chairman

INTERIOR D.P.T. OTTAWA JUN 9 1931

JUN 11

MEMORANDUM:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

RE: Patrick Meehan.
N.E.¼ 13-59-12 W.4th (Hsd)

The above described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 16th July, 1919, the settler secured advances from the Board totalling $3000.00 as follows: land, $5000: permanent improvements, $1000: stock and equipment, $2000. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is title to the W.½ 19-59-11 W.4th purchased for the settler.

The Board is informed that the settler has completed the duties in connection with his homestead and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Department of the Interior to the settler dated the 5th May, 1931.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C.1321, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 13-59-12 W.4th Meridian be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to the Soldier Settlement Act, as $1203.92 of the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead.

A Vesting Order for signature is attached hereto.

The Deputy Minister,
Department of the Interior,
O t t a w a.

Chairman.

requested the Minister to transfer the said land to the Board
to be dealt with by it in accordance with the regulations

Sir,

SE¼ 2-33-5. W.4th M.

I beg to acknowledge the receipt of your communication of the 30th ultimo wherein you request to be granted authority to file on another homestead in lieu of the above described entry which was cancelled in 1915.

Your remarks are noted that Departmental communication of the 6th April, 1915, authorizing you to refile has been destroyed by fire. In the event of this letter being recovered it has no force or effect and should be returned to this Office.

The presentation and surrender of this letter to any Agent of Dominion Lands will be his authority, provided you are eligible, to grant you entry for any vacant and available quarter section as a homestead on the ordinary terms.

If you are indebted to the Department for seed grain or relief, such indebtedness will be made a charge against the land for which you may enter under authority of this letter.

27th May, 1915.

Sir:

Re L.½ 2—33—5, W. 4th M.

Your letter of the 22nd ultimo has been referred here by the Agent of Dominion Lands at Calgary, wherein you state that you will have to abandon your homestead and pre-emption entries for the above described half-section.

In reply I beg to say that as your entries are in default, the Agent is being instructed by a copy of this letter to carry out cancellation and dispose of the land under the homestead regulations. Under these circumstances, it will not be necessary for you to return my letter of the 6th April which authorized you to make entry elsewhere on the ordinary terms.

With respect to the value of your improvements, I may say that the Agent will, after re-entry has been granted, procure a report by a Homestead Inspector as to the value thereof and when the amount due has been paid, you will on application be favourably considered in the matter of a refund.

Your obedient servant,

Assistant Secretary.

Sir,-

S.D. 2-33-5-4. 4th E.

In further reference to your letter of the 21st June last I beg to advise you that as the Department has received an official certificate of the death while on active service of Pte. John Monson, who held the above land under homestead and pre-emption entries, it has been decided that action will now be taken to have patent issue for the homestead, the North East quarter of this section, in the name of the deceased without calling for the performance of any further settlement duties, subject, however, to any indebtedness to the Crown which may be registered against the land.

Patent for the pre-emption, the South East quarter of Section 3, may also be issued on the land being paid for in full.

According to our records the amount due on this pre-emption is as follows:-

1st instalment $160.00 and interest on same at 5% from the 25-6-13 to the date of payment.

Balance of principal $320.00 on which no interest is payable until instalments are due.

It may be stated that Mr. Robert Fleming of Monitor, Alberta, has also been advised to the above effect by a copy of this letter, his name having been given in the certificate of death as next of kin.

Sir:-

In the year 1914-15 Mr. Henry Meyer made application for seed grain and relief giving as his land the W½ 12-25-9 W4th, against which he incurred indebtedness as shown in the statement hereunder:-

On September 15th, 1915, Heber R. Ridley obtained entry for the W.½ 12-25-9 W4th as homestead and pre-emption, Mr. Meyer's entries for this land having been cancelled on the 29th August, and according to the practice of the Department at that time, he was not required to assume the indebtedness of the former entrant. As you will observe from the above statement, there is a balance of $83.95 and interest. Same, I might state includes the application of the improvement moneys owing to Mr. Meyer. In view of the foregoing, I would ask you to be good enough to endeavour to locate Mr. Henry Meyer and obtain settlement of this indebtedness.

Re:- N.W. & S.W. 12-25-3-W4th Meridian

The N.W. 12 has been forfeited to the Crown in the right of the Province for non payment of arrears of taxes and the S.W. 4, according to our records is a cancelled pre-emption. Both quarter sections formerly stood in the name of H. R. Ridley.

Some time ago we received an offer for purchase of the old buildings situated on the N.W. the offer for purchase being $ 5.00 which according to our Inspector report was considered the full value of the buildings. This offer was accepted but I am since advised that one of the buildings was situated on the S.W.4. Both of these quarter sections are heavily in arrears of taxes due this Department.

Possibly in view of the situation, your Department will have no objection to our retaining this money to be applied on account of the arrears of taxes.

I would appreciate a reply at your earliest convenience.

Re: Account of Henry Meyer
W.½ 12-25-9-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and relief amounting to $121.00 were advanced to Henry Meyer on the security of the above mentioned land. A payment of $48.00 was received in 1917 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 86.25	$ 149.47	$ 235.72

The W.½ 12-25-9-W4 was formerly the homestead and pre-emption entries of the debtor on which security he obtained advances of seed grain and relief in 1915. His e tries were cancelled on the 29th of August 1916.

The land was later re-entered upon by Heber R. Ridely, who was not required to assume the indebtedness of the former entrant and patent is ued in his name for the N.W. 12-25-9-W4 on the 19th of May 1920 clear of any encumbrance.

In 1917 a payment of $48.00 was received from Mr. Ridley for value of improvements on the land and later transferred to the account of the former entrant.

The whereabouts of the original debtor is unknown and it is considered that there is no possibility of collection.

As the liens were never registered against the land and there is no further security for our advances, it is recommended that the balance of the indebtedness be cancelled.

SOLDIER SETTLEMENT OF CANADA

DEPUTY MINISTER
MAY 21
DEPT. OF THE INTERIOR

Ottawa, Ont. MAY 1[illegible]

Memorandum:

Request for Vesting of Dominion Lands under Section 27 of the Soldier Settlement Act

Re: S.E.¼ 27-25-1-W.4th
S.W.¼ 27-25-1-W.4th
William Hermon

This settler was established with a loan in July 1919, and in due course secured advances totalling $2,386.94, as follows:

Permanent Improvements	$ 554.12
Stock and Equipment	1,147.20
Special Advances	685.62
	$2,386.94

The charge created against the land is an effective one under Section 26 of the Act, as all the advances were made subsequent to the date of entry for both quarter-sections, the soldier grant quarter being formerly the pre-emption entry of the settler. There is no other land security in this case.

This settler left the farm in 1928 and proceeded to the Province of Ontario. Considerable correspondence passed between the settler and the District Superintendent of Soldier Settlement at Calgary but the settler could not be prevailed upon to return to the farm and he finally executed a Quit Claim Deed on the 19th March, 1932.

The settler's indebtedness to this department amounts to $1,772.01. The half-section is valued as a unit at $1,225.00. No arrangements have been made for the disposal of this land and no offers have been received.

Pursuant to the provisions of Section 27 of the Soldier Settlement Act, and in view of the powers vested in the undersigned, under the amendment of 1931 to the Act, it is requested that the right, title and interest of the settler, in the above land, be forfeited and the right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Director of Soldier Settlement of Canada.

A Vesting Order for signature is attached hereto.

made by the Director of Soldier Settlement, upon whom under Chapter 53, 21-22, George V, has devolved all the powers and authority theretofore vested in the Soldier Settlement Board, found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

SOLDIER SETTLEMENT OF CANADA

IN REPLYING PLEASE QUOTE FILE NO. 3-1931.

5582845

Ottawa, Ont. AUG 9 1932

Memorandum:

Request for Title under the Order-in-Council of the 4th June, 1921, P.C.1821, where duties completed by soldier settler.

Re: S.W.¼ 14-26-1 W 4th (Hi.)
N.W.¼ 14-26-1 W 4th (S. C.)
John E. Ash -

Subsequent to the initial loan approved in favour of the above named settler on the 27th May, 1920, he secured advances totalling $2,774.61, as follows:

Permanent Improvements	$1,000.00
Stock and Equipment	$1,660.61
Special Advances	$ 114.00

The charge created against the land is an effective one under Section 26 of the Soldier Settlement Act as all the advances were made subsequent to date of entry for both quarter sections, the soldier grant being formerly the pre-emption entry of this settler. There is no other land security in this case.

Your Department reports that Mr. Ash has completed the settlement duties for the earning of patent; therefore, in order that he may be in a position to negotiate a sale of the land at a future date, Mr. Ash has requested that title to the land be issued in the name of the Director of Soldier Settlement. Mr. Ash is not in residence on the land, but there is nothing on the file to show that he contemplates abandonment of his farming enterprise.

Pursuant to the provisions of the regulations established by Order-in-Council of the 4th June, 1921, P.C.1821; and in view of the powers vested in the undersigned under the amendment of 1931 to the Soldier Settlement Act, it is requested that the right, title and interest of His Majesty in the said S. W.¼ 14-26-1 W 4th and the N. W.¼ 14-26-1 W 4th be vested in the Director of Soldier Settlement of Canada.

Be good enough to take the necessary action accordingly, provided you are aware of no reason to the contrary.

The application for entry may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated. Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed.

No fee is charged in connection with a soldier grant.

If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND

The following indebtedness is charged against this land: $ 1001.55 & Int. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay or assume the full amount of indebtedness (for particulars enquire at office of Agent).

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada— and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies— and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Re: Account of John Wesley Eneix
E.½ 12-25-.-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 and 1919 seed grain, fodder and relief accounting to $1,001.55 were advanced to John Wesley Eneix on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 1,001.55	$ 1,892.02	$2,893.57

Patent was issued in the name of John Wesley Eneix for the S.E. 12-25-2-W4 on the 18th of June 1917, subject to the 1915 liens. The N.E. 12-25-2-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 28th of February 1930 and the land is still unalienated Crown Land held in the right of the Province.

Title to the S.E. 12-25-2-W4 was acquired by the Municipal District of Acadia No. 34 in 1937 under the Arrears of Taxes Act. They have been unable to dispose of the land by sale and it is no longer subject to taxation.

In reply to our questionaire of the 30th of May 1952, Fred F. Peers, Secretary Treasurer, Municipal District of Acadia No. 34, advised that the E.½ 12-25-2-W4 is no longer being operated. As such it no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Dear Sir:

Re: S.E. 12-25-2-W.4th.

We have your letter of the 17th of June, 1954, asking for an up-to-date statement of the account of John Wesley Eneix charged against the above land.
